## The Healing Event (3:1–10)

## The Healing Explanation (3:11-18)

## People usually come within the sound of the Gospel in order to avail themselves of the power of God for personal needs. But they stay because they know Christianity is the truth.

#### **Ajith Fernando**

## Mercy ministries commend the Gospel, but they share it with no one. To be evangelism, the Gospel must be clearly communicated.

## People need to see the depth of their sin so that they come to a fuller understanding of the depth of God's grace.

By faith in the name of Jesus, this man whom you see and know was made strong. It is Jesus' name and the faith that comes through Him that has completely healed him, as you can all see.

## The Interrogation of the Apostles (4:1-13)

But before all this, they will seize you and persecute you. They will hand you over to synagogues and put you in prison, and you will be brought before kings and governors, and all on account of My name.

## And so you will bear testimony to Me.

# But make up your mind not to worry beforehand how you will defend yourselves.

## For I will give you words and wisdom that none of your adversaries will be able to resist or contradict.

## Salvation is found in no one else, for there is no other name under heaven given to mankind by which we must be saved.

When they saw the courage of Peter and John and realized that they were unschooled, ordinary men, they were astonished and they took note that these men had been with Jesus.

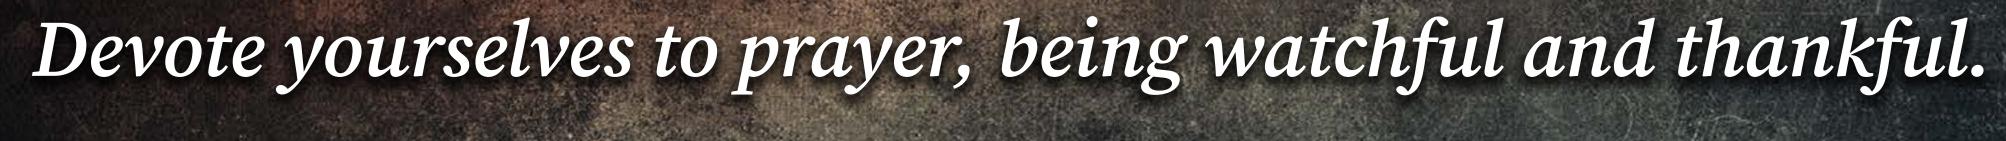

## What we need are people who speak out of the fullness of the Spirit and out of a knowledge of the Scriptures.

### Ajith Fernando

And pray for us, too, that God may open a door for our message, so that we may proclaim the mystery of Christ, for which I am in chains.
