**All intellectual pursuits are

good of our neighbor.**

**All intellectual pursuits are  
for the glory of God.**

We need a God centered  
view of the world.

Human beings use their  
minds for God's glory or  
personal pride.

God must make Himself  
known to humans.

The Word of God  
is foundational to all  
true knowing.

**All intellectual pursuits are  
for the good of our neighbor.**

Good thinking leads to virtue.

Believers use their minds  
to build up the church.

We use our minds to influence  
culture and build society.

We love our neighbors as we  
bear witness to the truth.

**All intellectual pursuits are  
for the glory of God and the  
good of our neighbor.**
