WITNESS

- Who are the people in your sphere of influence you're praying will come to know Jesus?
- Share any progress/updates. Pray together for God to use you and your Grace Group to influence these people for Jesus.

EXPLORE

- 1 What resonated with you from the sermon?
- 2 What are some common distractions from our duties and mission as followers of Jesus? How can we push those distractions aside to refocus ourselves?
- 3 What was the problem with the disciples' response in verse 54? In what situations might we be tempted to do the same kind of thing?
- 4 What is the difference between viewing people as obstacles to our faith and viewing people as needing Jesus just like us? How does the latter mindset align better with Christ's desires?
- 5 What are some dangers that arise when we don't realize, or we forget, that the call to follow Jesus is a call to go and spread the Good News at the same time?

PRAY

Pray that the Lord would cultivate in your heart a compassion for the lost. Ask God to open your eyes to opportunities this week to share the Good News of the Kingdom of God.
