WITNESS

- Who are the people in your sphere of influence you're praying will come to know Jesus?
- Share any progress/updates. Pray together for God to use you and your Grace Group to influence these people for Jesus.

EXPLORE

- 1 What resonated with you from the sermon?
- 2 Thinking through the Law and Prophets, what makes Jesus' response to the lawyer in Matthew 22:37-39 the correct answer?
- 3 Like Joseph and Daniel, why is it important and valuable to use our God-given intellect for the betterment of those around us, even those who don't follow Jesus? What are some practical ways we can do that in our spheres of influence?
- 4 What is the relationship between character and intellect? Why is God's Word our standard for character and intellect, and how does it influence both?
- 5 How would you graciously respond to someone who said that Christians are anti-intellectual? In what ways does Christianity encourage the pursuit of knowledge?
- 6 What would shift in your life if you determined to use your mind for the glory of God? What would shift in your perspective if you determined to use your mind for the good of others?

PRAY

Using our mind is so routine for us that we can often let it run on autopilot. Pray that the Lord would help you be intentional about using your mind for His glory and the good of your neighbor.
