Can I Get a Witness Seminar Saturday, September 23 • 8:30 a.m.-1:30 p.m. • MC 8-9 • It can be challenging to know how to engage with people to share the love of Jesus. This seminar is designed to help you become a better witness for Him in your daily sphere by equipping you with tools for sharing the Gospel and encouraging your confidence in engaging others. It combines lectures, group activities, personal reflection, and role playing in order to teach and reinforce what you need for being a bold witness for Jesus. Register by September 18 for \$15 (lunch included) at GracePolaris.org/Seminar.

WITNESS

- Who are the people in your sphere of influence you're praying will come to know Jesus or are seeking to share the Gospel with?
- Share any progress/updates. Pray together for God to use you and your Grace Group to influence these people for Jesus.

EXPLORE

- 1 What idea or point of application resonated with you from the sermon?
- 2 Verses 1-6 suggest that creation literally speaks the glory of God. How can we build into our devotional life the practice of listening to creation's speech? What are the benefits of this kind of listening?
- 3 Why do we need revelation of God from both nature and His Word? What would we lose if we only had one of these?
- 4 How does the truth of God's Word challenge and change us as suggested in verses 7 & 9?
- 5 What would it take to be able to genuinely join the psalmist in what he says in verses 10 & 11? Why do we so often desire other things above God's Word?
- 6 What does verse 14 reveal about the psalmist's heart and disposition as he praises God? What does this teach us about how we should praise Him?

PRAY

Take some time to join creation in glorifying God. Pray that the Lord would always help you see His greatness in both nature and His Word.
