## WITNESS EQUIPPING

### SHARE

Share one of your spiritual appetizers with the group.

### CHALK TALK

This week we finally get to the touchdown play—sharing the Gospel! Hopefully, as you reflect on all the weeks leading up to this, you see that “working the field” is necessary for the Gospel seed to land on fertile soil. Along with fertile soil, an essential part of being a witness is being prepared to share the Gospel. We are sharing an approach titled *The 3 Circles* which we have found easy to follow and remember. We hope you find it helpful, too!

### IN THE HUDDLE

- What form of Gospel presentation have you used before?
- Why is it important to practice sharing the Gospel?
- Is there someone you know who is ready to hear the Gospel?

### PLAY OF THE WEEK

**15 Yard Play:** Practice sharing the Gospel.

## EXPLORE

- 1 As those who know that the Gospel is for everyone, what are some ways that prejudice still creeps into our evangelistic efforts?
- 2 Simon was more amazed by the signs and wonders of the Apostles than the Gospel message they preached. What does being amazed by the Gospel message look like?
- 3 What should we expect to “get out” of our faith in Jesus and the Holy Spirit? What does the story of Simon teach us about this?

## PRAY

Pray that the Lord would strip us of all our prejudices when it comes to sharing the Gospel, especially those of which we aren't even aware.
