DIG DEEPER

Greetings matter, especially among believers (16:16). Why has COVID-19 been so difficult in this regard? What have you missed? What do you plan to do differently (or resume) when COVID wanes? Put 16:19b in your own words: "I want you to be wise about what is good, and innocent about what is evil." God's victory is assured, and His grace is a wonderful gift to us (16:20). How do these realities help us in the present, especially in seasons or times of great difficulty?

Christmas Eve Offering Benefitting the Château de Saint Albain

Please prayerfully consider making a special donation on or before December 24.

Bienvenu au Château! Located in the small village of Saint Albain in France, the Château is a retreat center used by evangelical churches and individuals from all over Europe. It provides a relaxing setting for church retreats, training seminars, special events, weekend getaways, and more. Most importantly, the Château plays a critical role in connecting with French people and sharing the hope of the Gospel with them.

The Château has been greatly affected by COVID-19. Revenue has fallen far below projections due to gathering restrictions, and many future reservations have been cancelled. The Château needs financial assistance to minister despite this temporary setback, and Charis churches are stepping up to help. As a ministry of Encompass World Partners, the Château has been a strategic partner of Grace Polaris Church for over 50 years, and we are proud to support them with this year's Christmas Eve Offering! Please consider making a donation on or before December 24, and join with us in praying for Gospel fruit to continue through this valued ministry partner.

Visit GracePolaris.org/Give to learn about all the ways you can make a donation for this year's Christmas Eve Offering.
