DIG DEEPER

What's the difference between having money and having a love of money? How would you know the difference in your own life?

How do you reconcile "the Lord's coming is near" with now 2,000 years of Christian history? How can we be ready and be patient in light of that?

Why is it so easy to give in to interpersonal conflict when we face suffering from external circumstances? How can you avoid this?

Welcome to Grace

You can help make the world feel at home.

Minister to international students for the sake of the Gospel by volunteering with IFI!

Founded in 1979, International Friendships, Inc. (IFI) is a community organization that exists to extend life-changing hospitality and friendship to international students out of reverence for Jesus. IFI works in partnership with universities and Christian volunteers to promote friendship and hospitality for international students, scholars, and their families.

Through our strategic partnership with IFI, we have the opportunity to make disciples of the nations...right from our own community! It's our prayer that many from Grace would share the love of Jesus among international students at Ohio State by connecting relationally and serving them in practical ways. Internationals can then return to their home country and share about Jesus with their loved ones!

Please consider joining the IFI team and serving students through airport pickup, hosting, or conversation partner opportunities.

To indicate your interest, visit **GracePolaris.org/IFI**.
