PASTOR ZAC HESS

Something to Believe In

The Word of God is able to accomplish the work of God.

The Word of God is _____ to accomplish the work of God.

The Word of God is _____ to accomplish the work of God.

DIG DEEPER

What are your regular interactions with Scripture? Do you have a plan for personal devotions? What are some ways the Bible can play a more integral role in your life?

Have you considered using the Bible in evangelism? Is there someone in your life with whom you can read the Bible?

Are you reading the Bible for mere *information* or for *transformation*? Is your Bible reading leading you to delight more in Christ? Pray that God would work in your life through His Word.
