### DIG DEEPER

In what ways are we prone to disagree about words as they relate to our faith? What are the results and what are some ideas to approach those areas in a better way?

Read verse 21. What does it look like to “cleanse yourself”? Why does cleansing result in being useful to the Lord?

What does it look like to be kind to everyone but also willing to correct? Why is it important to recognize that while we may correct someone, it is God alone who grants repentance (2:25)?
