The heart of God is known through the Word of God.

DIG DEEPER

What does it mean to long after something? What should we do when we don't feel like we are longing after God and His Word? Should we expect to feel that longing 24/7?

Read verse 10. What is the relationship between pursuing God and prayer? How might this relationship encourage us?

What does satisfaction in God and His Word look like? What actions in our day-to-day lives might be evidence of that kind of satisfaction?

Welcome to Grace
