DIG DEEPER

What are some concepts and/or phrases in this text that remind us of our primary call as God's people? How does this primary call inform our perspective and actions in the face of current events and an ever-changing society?

How does verse 22 give you hope, especially in personal failure? What does this verse teach us about God's character?

Read verse 24. What is the importance of remembering? Take some time to consider and remember together the great things the Lord has done for you.
