WITNESS EQUIPPING

SHARE

Share a time when you presented the Gospel.

HIGHLIGHT STORY

While a team from Grace was serving at Star House, they had numerous opportunities to show kindness to the clients there. One evening a young woman stayed late after we had finished our study. She had been quiet most of the night, but when we shared about Jesus, she was very receptive. After explaining the Gospel, we asked if she was ready to commit her life to Christ and she said yes! We joyfully lead her in prayer as she accepted Jesus as her Lord and Savior.

CHALK TALK

We have reached the end of our 12 weeks of witness equipping! As we conclude our series, we want to do a little recap. We covered how to be a witness in your day to day lives by praying, seeing, listening, and wondering with people. We also explored God's field guide which can help us understand how to engage people for Jesus and to work the soil of their heart. As we move forward, the time has come for you to take and use what you have learned this Christmas season. Be bold for Christ and be willing to engage those Not-Yet-Christians around you!

IN THE HUDDLE

- What is the biggest thing you learned over the last 11 weeks?
- What ways do you feel God is calling you to respond?
- What will you commit to do going forward for God's Kingdom?

PLAY OF THE WEEK

Red Zone Play: Plug in and connect with your divine appointments.

EXPLORE

- 1 How does this passage highlight God's love for the nations?
- 2 Do you assume those around you know and understand who Jesus is and what He did? Could you, like Philip, explain who Jesus is and what He did if someone asked? Where would you begin and what are a few key points you would share?
- 3 As you think through the Acts sermon series, what is your biggest takeaway and how will you apply that in your life going forward?

PRAY

Pray that the eyes of your heart would be open for opportunities to share the Gospel.
